Memo

To: All Clubs
Date: 26/06/2009
Subject: 09-52 – Junior Wet Weather Procedures - Update

After much discussion, and input from a number of clubs, it was suggested that Football Brisbane refine the junior wet weather procedures to:

- a) reduce the workload on club administrators and,
- b) eliminate the potential for manipulation of the system.

The new procedures will be as follows:

In the event of the cancellation or abandonment of a junior fixture due to rain, the following process will occur:

- a) The home club will advise Football Brisbane of at least two (2) reschedule dates/times/venue options within seven (7) days of the cancelled/abandoned match.***
- b) The away club will provide a response to Football Brisbane within seven (7) days of receiving the options from Football Brisbane.***

If a home club fails to provide the options within the designated time, the game will be declared a forfeit and the points awarded to the away club.

If an away club will not accept any of the options given, and does not provide a reasonable explanation as to why, the game will be declared a forfeit and the points awarded to the home club.

Football Brisbane will rule as to what is reasonable and the decision will be final.

If any issues arise, please contact Karyn Longbottom as soon as possible.
