Policy 05 – Playing Equipment

Football Queensland has entered into an exclusive arrangement with certain sports equipment/uniform suppliers on the basis that players must only use the products from these suppliers when playing official matches. These include shorts, socks, jerseys and game balls.

The shorts and socks sold by Colleges are Football Queensland endorsed and it is recommended that these items are purchased. As we are a not-for-profit organisation our prices are very reasonable.

Playing jerseys worn during games and game balls are provided by the Club with the following to be purchased by the player/parent:

- Club Socks
- Shin Pads
- Boots
- Maroon shorts
